Notes:

1. This listing reflects data collected to date.
2. Founder status determined by UC San Diego's ESP database (A code = alumni, F code = faculty, and S code
3. Company status as active determined primarily through querying the Hoovers Intertiol Companies database
4. Active companies include those using technology licensed by UC San Diego.
5. Founder status does not necessarily indicate continuing ownership.
6. Sales and employee data are not available for all companies because private enterprises are not legally
